CEU's Available . . . Utah and Idaho

2 Topics to select from . . .

Topic 1 Playground Drainage

Contents of Presentation - Playground planners will learn and discuss drainage applications specific to playground areas including problems created by improper drainage and what can be done about it. The session will be of interest to managers of multiple playground sites, one-time playground purchasers, city park directors, architects and maintenance personnel.

Presenter CJ Stoddard, CPSI

CJ Stoddard is the Construction Manager for LuckyDog Recreation, a Playground Sales and Construction Company serving Idaho and Utah. CJ has managed playground construction crews for 8 years. He has built every major brand of play equipment. He is certified with many manufacturers of play equipment and safety surfacing. CJ is a Certified Playground Safety Inspector, CPSI. Contact CJ at curtdog@luckydrec.com (208) 521-5719.

Topic 2 Rope-Based Playgrounds

Contents of Presentation - This session will investigate how to specify and purchase nets and/or rotating climbers and explore the manufacture of rope and IPEMA certification as it applies to "net" purchasing. We will also cover common misconceptions about rope-based play such as safety as it relates to fall height and vandalism.

Presenter Nicole Stoddard

Nicole Stoddard is Sales Manager for LuckyDog Recreation. Nicole earned her Bachelor of Science Degree in Parks, Recreation, and Tourism from the University of Utah. She has worked in the playground industry since 1994. Contact Nicole at nicole@luckydrec.com. (208) 652-7926.
